

Re-think in blue

Re-think in blue

With the launch of the R/DENIM collection Textil Santanderina has reached another milestone in its long history.

The same social and green principles from the known R/TURN label also reflect in the widened and upgraded denim offer.

All of the R/DENIM articles are passing through integrated, transparent and traceable processes of:

Recycling
Reuse
Reduction

Sustainable content

Each R/DENIM fabric has a maximum of sustainable content:

Responsible manufacturing

Transparent and traceable process

Sustainable product and production

Saving of raw materials and valuable resources

Reduction of waste and emissions

Use of certified eco-indigo

Use of responsible fibres

Made in Europe

Certificated denim
