# PURE INDIGO

## WHAT ARE ANILINES?

They are chemical substances derived from aromatic hydrocarbons, widely used in industrial processes. Long term exposition to anilines can be harmful for health. So we have decided to take action!

## OUR COMMITMENT

**+ well-being**

**+ environment**

**+ fashion**

## ANILINE-FREE SEWAGE

The more transparent the formula, the cleaner the water!

**Healthier**  
**More sustainable**  
**More intense**  
**Timeless indigo**

**aniline  
free  
denim**
